Verse #1: Saturday night at the Armory
Groovin' at the Groove-Inn.
Time to remember and reminisce
Slap in the face or one sweet kiss
Here we go. It's *Saturday Night Again*.

Verse #2: Toolin' 'round North Beach
Summer of '66
Chevy ragtop Super Sport
Cruisin' 'round lookin' for chicks
Here it is. Its *Saturday Night Again*.

**Chorus: Our night, Saturday night
All night, Saturday night
Our night, Saturday night
All night, Saturday night
Here we go. It's *Saturday Night Again*.**

Verse #3: Hey! What's happened to you?
Where have you been?
So great to see ol' friends
That I thought I'd never see again.
I really need a *Saturday Night Again*.

Verse #4: Forget about those wrinkles
Forget about those pounds.
Spin a stack of 45's
Get down with our sounds.
Saturday night, rock 'n' roll reunite.

**Chorus: Our night, Saturday night
All night, Saturday night
Our night, Saturday night
All night, Saturday night
Here we go. It's *Saturday Night Again*.**

Verse #5: Meant so much to each other
All comes rushin' back
Thought we knew, how to be cool.
Thick as blood that's a fact, Jack!
Here it is. Our *Saturday Night Again*.

**Chorus: Our night, Saturday night
All night, Saturday night
Our night, Saturday night
All night, Saturday night
Here we go. It's *Saturday Night Again*.**
